Summary

I'm a passionate Front-End Developer skilled in creating modern, responsive, and user-friendly web interfaces. I recently completed my professional training in MERN Stack Development from Creative IT Institute, where I gained hands-on experience with React.js, Tailwind CSS, JavaScript, and modern web design practices.

Featured Project

Orebi Ecommerce Website

React js   Tailwind Css   Redux Toolkit   Router Dom

It's a modern E-commerce Platform. Major platform features include – product listing with category filters, real-time search, add to cart and checkout functionality, API-based product management, and responsive user interface for a smooth shopping experience.

More Challenges

- Add To Cart With Redux
- Search Filter
- Api Calling
- Pagination
